Dear Felix:

I am indebted to Bob Broeg and yourself for thinking of me with the gift of "The Magic of 70 in '98 Forever." I cannot tell you how impressed I am with the limited edition original newspaper editions.

The collection and certificate of origin are very well done and will be a lifetime addition to everyone's archive.

My best wishes to you and your family, and I hope that our paths will cross some time in the not-too-distant future.

Sincerely yours,
