Dear Felix :

A most sincere thank you for your friendly letter to Mr. Williams.

This past week, Ted received the collection you have put together in honor of *St. Louis Cardinal's* player, Mark McGwire, titled "*The Magic of 70 in '98 Forever.*" In addition, received under separate mailing was the video tape, the program and the April 13, 2000, issue of the *O'Fallon Progress*.

Applause, too, for your dedication to Bob Broeg, the Hall Of Fame baseball writer and renowned writer for the *St. Louis Post-Dispatch*. I am sure you are aware that Bob and Ted have remained friends for many years.

It is immediately obvious how much effort and planning you put into your project. Without a doubt, your gift is a wonderful addition to Ted's personal collection of baseball memorabilia that he enjoys in his home library.

On behalf of Mr. Williams, Felix, we extend our best wishes to you and your family.

Regards,

Mary Edwina Dluhy
